<b>TOTAL</b>	<b>82</b>	<b>51</b>	<b>27</b>	<b>9</b>	<b>21</b>

## Accommodations

### Ben-Shemen Youth Village (Event Center)

The Ben Shemen Youth Village is one of Israel's oldest and most esteemed educational institutions. It is situated in the hills of Jerusalem on the road between Tel-Aviv and Jerusalem. The hostel is located at the event center and offers, bike storage, Internet access, and swimming pool. From the village there is access to the Model area.

- **Option A**

Air conditioned rooms, including bathroom facilities, for 3–4 people per room  
(full board): € 40 / per person / per day

**Note:** *Maximum occupancy is limited to 250 people*

**Note:** *For more accommodation options, see Bulletin 2 – Update 06.04.09*

## Transportation

Rental cars are available at Ben Gurion International Airport. Public transportation (bus, taxi) is also available, but less convenient. The organizing committee will provide the following transportation on request:

- Ben-Gurion Airport to Event Center: 20 €/person (includes one bike)
- Event Center to Ben-Gurion Airport: 20 €/person (includes one bike)
- Event Center to all competition venues: 50 €/person (includes one bike)

**Note:** *Transportation will be provided only between the hostel in the Ben Shemen Youth Village (event center) and competition sites. All other accommodation options will require guests to arrange their transportation.*

## Payment

All payments are to be made to the **Israel Sport Orienteering Association**, as follows:

IBAN ACCOUNT NO: IL480109490000019587053

Bank Identification – SWIFT CODE: LUMIILITLV

Leumi Bank – Sokolov 69, Ramat Hasharon, Israel

## Training Opportunities

**Training camps #1, #2 and #3** have been completed.

**Training prior to the WOC:** Individual competitors or federations arriving in Israel before WOC may obtain a variety of training maps from the Israel Sport Orienteering Association.

## Climate

During the summer, the weather in the eastern Mediterranean region is very hot with no precipitation. Average temperatures in August are between 21°–31° C, and humidity is between 55–70%. Maximum solar radiation is 3.22 mJ/m<sup>2</sup>, meaning very high.

**Israel Meteorological Service:** [http://www.ims.gov.il/IMSENG/All\\_Tahazit/homepage.htm](http://www.ims.gov.il/IMSENG/All_Tahazit/homepage.htm)

**Note:** *Unavoidably, competition will take place during midday sun. Competitors are advised to take extra precautions to avoid dehydration, heatstroke and sunburn.*

## Terrain

---

### Long qualification

Moderately hilly, large network of trails and paths, paved gravel or packed dirt. A minor road crosses the map. Vegetation is mainly pine forest and groves. The ground is covered with low thorny bushes.

### Middle

Moderately hilly, large network of trails and paths, mostly gravel. The forest is covered with pines, but there are some open areas with low vegetation.

### Relay

Moderately hilly, large network of trails and paths, mostly gravel, some are stony. The forest is covered with pines.

### Sprint

Archeological site with lots of paths, some paved. Mainly open ground with some small lakes and scattered agricultural structures.

### Long final

Mostly hilly, stony ground with steep climbs and downhills. Pine forest with large network of fast gravel roads.

**Note:** During the summer, the ground is dry with an abundance of sharp thorns on the trails. Competitors are advised to use all necessary means to avoid flat tires.

## Course Information

*\* Details in this section may change.*

Event	Scale	Contours	Course Planner

WOC Men	36.4	750	15	2	110

## Punching System

The EMIT system will be used for all events. Competitors start with their own EMITS.

The organizers will provide EMIT cards on request.

## Competition Rules

1. Competitors must arrive at all control points with their bikes.
2. EMIT card must be attached to the bike
3. Climate might be significant severe weather, competitors must carry at least one (1) liter of liquid to each race, half (1/2) liter to sprint. Will be inspected at start.
4. Riding off-track is permitted.
5. In Israel one drives on the RIGHT side of road. Riders must ride on the RIGHT side of all roads and tracks; passing slower riders should be done on the LEFT.

## Health and Medical Safety

The organizing committee will provide first aid at the event center and at each competition site. Emergency care and major hospitals are within a 30-minute drive from each of the competition sites. The organizing committee will not bear costs related to the health insurance of the participants. It is recommended that all participants obtain a personal health insurance policy.
